School Philosophy:

Saint Paul Lutheran Church Trinity Road Center for Young Children (CYC) is a nurturing *Christian* preschool open to the public. The preschool program is based on developmentally appropriate practices for three and four year old children. Academics focus on preparing children for school success and lifelong learning. Children are given opportunities for developing skills to become capable, caring contributors to their family and community.

The Center for Young Children is a safe and loving environment where children will experience an enriching Christian based curriculum that fosters spiritual, emotional, physical and academic development.
